„Good Men Don't Understand“
An Evening with Tom Fontana and Jörg Winger

In his new TV series *City on a Hill* Tom Fontana explores (with his co-producers Ben Affleck and Matt Damon) the depth of urban corruption in 1990s Boston and examines what it takes to rip out the fucked-up machinery. In our evening panel we will contrast his tale with **Anna** and **Jörg Winger's** *Deutschland 86* which depicts a contemporaneous corrupt system beyond repair.

On Tuesday, November 26, 2019

„S'all good, man!“
An Evening with Jenn Carroll, Gordon Smith and Anna Winger

While some view *Better Call Saul* as an acerbic investigation of the American justice system, others delight in its micro analysis of family, friendship, and the impossibility of goodness in a capitalist society. In this evening we will delve deep into Saul Goodman's story with producer **Jenn Carroll**, writer **Gordon Smith**, and *Deutschland 83/86* showrunner **Anna Winger**. And, of course, we will also touch upon the new *Breaking Bad* movie, *El Camino*.
